Sentiment

There is some unverified online chatter about potentially heading to the Detroit-Windsor tunnel.

0823hrs - Border Block Sarnia Telegram chat - Posts talking about Windsor, what is happening with people getting arrested and not having the numbers to hold it. A couple seem intent on attending the area, most seem resigned to it ending in Windsor for now. [redacted] and sp00dge seem to be the most vocal. Both have been vocal throughout.

Facebook – Crackpot Farmer. He provided an update from Ottawa on Windsor. He says they are not blocking the tunnel for now. He does not indicate if they intend to or not but just that they are not taking that action right now.

0923hrs - posts in Windsor Convoy Lockdown Telegram re what they should be doing next. No consensus. Of note [redacted] in the screenshot is "hot Donna" as she self named herself at early protests and was one of the early leaders.

Zello Chat #2 – "Regroup Windsor"

- "Not the end"
- "Sad day for freedom fighers"
- Need new moderators for the "regroup"
- Battle was lost, but the war for freedom isn't over.
- Freedom Truckers told to go to new group "Regroup Windsor"

- [redacted] – Identified as "[redacted]" Very vocal in chat and possible leader. Posted a strange statement making him sound like a counter-protestor. He was then blocked.
- Believe that the group was infiltrated by the counter-protests known RamRanch. Seem to have taken over the chat.

Zello Chat # 2 "Regroup Windsor"

- Asking for more trucks
- Wanting to reorganize the protests.
- Regrouping into other spots and using barricades against us. Believe that they will work in their favour.
- Suggested using the 7/11 as a headquarters.
- Moderators are "[redacted]" and "[redacted]"

Male named [redacted] had been livestreaming during police action on this date. Review of c. 1200 comments made and many are stating, 'it's not over', 'regroup', 'we are not done', 'slow roll is next' and one person wrote, "Civil War time". The majority of comments deal with anti-police rhetoric and comments.
